

WE CAN REVERSE CLIMATE CHANGE

Introducing Project Drawdown, the most comprehensive plan ever proposed to reverse global warming by 2050.

WEDNESDAY, MARCH 25 · 7 PM

Leaven Community

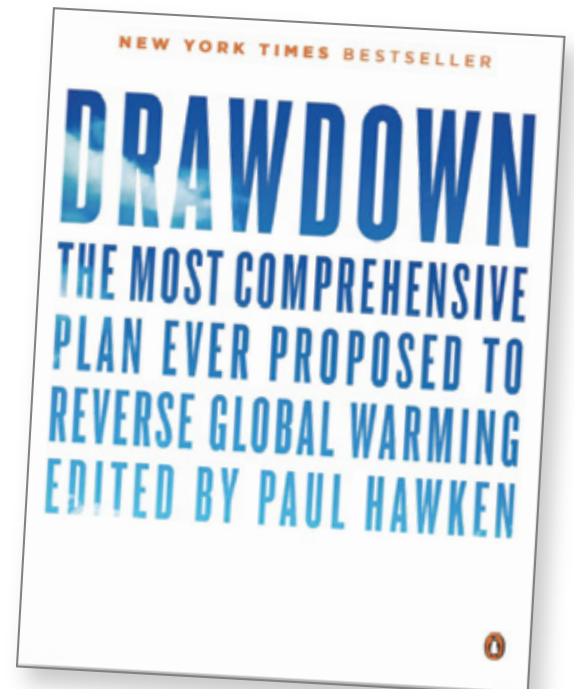

5431 NE 20th Ave. Portland, OR

Introduction to Drawdown is a free presentation by Pachamama Alliance. The evening includes videos, group discussion and opportunities to reflect on how we've been relating to global warming.

Join us to:

- Learn more about this comprehensive study of 100 existing, tested solutions.
- Connect with others in our community to discover new possibilities for addressing climate change.
- Be part of changing the conversation about global warming from "game over" to "game on!"
